Purchasing Committee,
Corcoran Art Gallery,
Washington, D.C.

Dear Sirs:-

When in your city a few months since, I learned that the Corcoran Art Gallery contained no picture of Napoleon Bonaparte.

I have a very handsome, three-quarter length, life size portrait of the great Genl, done in oil, (value one thousand dollars) which I should like to sell to you.

The painting is the work of Albert Waldo Guest, and is his favorite subject. It is more than twelve years old, and is considered by good judges to be an excellent picture.

I am willing to give one half

its value to the gallery, in memory of my late husband, Capt. M. Montville, and would gladly present the entire picture, were I able – which, unfortunately, I am not.

Although his parents (still living) are French, my husband was born in the United States, and served three years in the late war, under Genl Butler.

Major Wm. Warner of Kansas City, Mo., ex-Congressman and ex Com.-in-chief of the G.A.R., and also Judge J. E. Guinotte of the same place, have each seen the picture, and to them I refer you concerning same.

I am but slightly acquainted in Washington, but refer you to Justice D. J. Brewer of the U. S. Supreme Court, and Mr. J. Holly Jones, private Secy to Judge Chandler, Ass't Secy of the Interior.

Will you kindly let me hear from you at your earliest convenience? If you do not desire to accept or consider

my proposition, I would like to know it as soon as possible, as I have other arrangements in view, elsewhere.

Probably some officer from Fort Leavenworth, or Gov. Smith of the Soldiers Home here, would examine the picture and attend to the details of the purchase for you should you desire to make same. (Being a military subject, you may prefer to have military critics examine same, hence this suggestion.)

Awaiting your reply I am,

Very respectfully yours,

Margaret C. Montville.

Corcoran Art Gallery

Dear Sir

A friend of mine, who lives near here, has in his possession a Picture of Michael Angelo. Size about 10 x 14 inches - he as well as all who have seen the Picture believe it to be a Genuine Article, if he could get a good price for it, he would be willing to sell it -

Now as I am a Washingtonian by Birth, having left there only a short while ago, and knowing about the Art Gallery I thought I would write to you in reference to the Picture - Enclosed find an Extract of Letter in reference to the Picture

Gentlemen -

I have broken up house keeping and wish to dispose of three valuable oil paintings and thought perhaps that I might effect a sale to the Corcoran Art Gallery. "The Valley of the Moselle" is an unusually fine example of Paul Weber and took the first prize at the Art Union Exhibition in Cincinnati about 1884 - I have been recently offered $500.00 but have been assured that it is worth more. The other two are by Sontag. One - size 32 by 48 is a scene in the Adirondacks - The other small landscape - a forest scene with cabin in the foreground. They are now in Cincinnati and are in first class condition. Should you view the matter favorably - I will furnish

the address - when an inspection
can be made -

Yours truly

Elizabeth - R. Mac Gregor

Extract from letter written by Col Jas K. Rogers to 1205 Green Street dated Dec 12th 1889 Philadelphia Pa

In relation to the Picture of Michael Angelo, It was given to Mrs Col J.K. Rogers by her Sister, Mrs Guillou about 35 years ago. It was presented to her Sister Mrs G. Guillou, by an Italian Artist named Alyio, so it has been their possession forty years or more. Alyio the Artist told Mrs G. that Michael Angelo made the picture of himself before a looking glass.

This is all the information my Wife has in regard to it. Alyio has been dead many years, and Mrs G died nearly two years ago. We have every reason to believe that it is a genuine Article, but of course have no means of Vouching for it.
